Xbox 360 Live Wireless Headset

The Xbox 360 Wireless Headset integrates seamlessly with the Xbox 360 console to provide wireless voice chat, stylish ergonomic design and superior voice quality over the Xbox Live® network. Now gamers can pair this and the award-winning Xbox 360 Wireless Controller for the ultimate wireless experience. Gamers can use up to four Wireless Controllers and Wireless Headsets simultaneously during multiplayer gaming sessions (ERP TBA).

Prijs : €65.00
