XBOX 360 Space Dock Station(HDD)

Datel has unveiled the Space Dock, an external HDD docking station for Xbox 360. It supports 2.5"/ 3.5" SATA HDDs up to 1Tb in capacities, and is equipped with an USB 2.0 port for connection to external devices (e.g. Xbox 360, PC etc).

Certainly good news for gamers who require additional storage space for their movies, music and saved games for the Xbox 360! It should be available soon at a MSRP of USD 40. 2.5"/3.5" SATA HDD Docking Station High speed 480 Mbs Plugs directly into USB port on XBOX360 Accepts SATA HDDs upto 1TB! Your HDD will appear as a mass storage device - transfer movies, music data and more... Share files with other XBOX360 gamers via your PC with unique Memory Manager Software
