XBOX TFT6 Monitor xbox

The JOYTECH Xbox, 6 inch TFT Monitor with SRS® continues our long tradition for offering the very best in portable video game monitor technology. Featuring a huge 6inch TFT (Thin Film Transistor) Display, the Monitor features incredible SRS® 3D Surround Sound, immersing the player with a wide spatial audio effect. 50 / 60Hz and fully RGB compatible the Monitor also features Integrated Stereo Speakers, Four Individual Headphone Sockets, and External AV inputs for connection of a secondary AV Source.

- High Definition 6.0 inch TFT Colour Screen provides pin sharp picture quality and true RGB colour definition.
 - TFT screen provides wide 160-degree viewing angle for a clear picture in any seated position
 - SRS® 3D Surround Sound dramatically improves audio quality by providing stereo sound with a rich spatial effect
 - Integrated Twin Modular Stereo Speakers use dynamic "Mylar" cones to deliver full rich sound
 - Integrated Audio/Video inputs to allow connection of an external AV source to the Monitor (i.e. DVD, VCR)
 - AV Multi Output allows you to connect your console to an external TV and/or Hi-Fi without removal of the monitor
 - 4 Stereo Headphone Outputs for private multi player gaming
-
- Volume and Brightness Controls allow you to adjust your Monitor settings to match your surroundings

Prijs : €149.00
